

RCB Music Library – Generic Jingles

Area Definitions

Local (L)

This area is within your county. Think of it as if you live in a metropolitan area. This would mean your immediate surrounding towns/cities.

Regional (R)

This area is within your state and a couple surrounding states. Example would be the Southeast – Florida, Georgia, and Alabama.

National (N)

This area includes the entire United States.

Package Definitions

Economy Package

With this package you will receive one “donut” style mix.

Deluxe Package

With this package you will receive a “donut” style mix, and either an open or end sing style mix

Diamond Package

With this package you will receive a “donut” style mix, open and end sings, instrumental only and a full sing version (if it is available)

Add Ons

With any package you can add on your company or product being sung in place of certain words. There are no guarantees that the original vocalist is available for this service.
